Say Hello to the Owl!

This cardboard tiny house is 1m height and can be used as a secret place for your child.

It's made of ecological cardboard made exclusively for our toys.

Laminated with food packaging film, so you do have to worry about allergic effects.

In secret pocket located in wings your child can hide it's treasures, small toys.

Inside kids can draw or paint just anything what imagination will bring to their minds.

It's creative!. And it's so easy to assemble :).

Do not use it outside. This toy is only for inside use.

"One of the best toys my son has" - Ann, Liverpool

"My kids feels safety sitting in there. They keep their teddy bears in it :). It's like a hide out for them." - Lucy, Toronto
